THE ADVENTURE

The crib of Christ is a polarizing force. When called to the crib, we have a critical choice to make. Today we see the reaction of a Roman king who was confronted by the crib over 2000 years ago and how that applies to our own lives today. We have to be careful, we don't want to **Miss the Crib**.

Make plans to join us Christmas Eve at 8:00...
something INCREDIBLE will be revealed and you don't want to miss it!
